

CURRICULUM VITAE

About

I have had a strong interest in art & design from a young age and wish to pursue a career in this field. Extensive background in both traditional art & design skills and modern techniques. Good creative process technique from visualisation to implementation of ideas with strong team-working skills. I am keen to pursue a career in digital art & design. Used skills acquired at University to design, build and published a website for a consultancy company during summer vacation. Gained experience in teamwork at both BA Engineering and Sainsbury's. Used to communicating and engaging with customers at Sainsbury's for many years. Enthusiastic and committed when it comes to achieving a goal.
